

SHOWCASE

PI Club

Club PI is one of the hottest night clubs in Hong Kong Central. With its interior design, the PI club combines the ambience of a cozy lounge and the vibe for up-scale nightlife. In order to provide it guests a unique atmosphere, Traxon installed 32 of its multifunctional Tile 64PXL Matrix panels on the ceiling. The Tile 64PXL panels allows the club amongst fascinating plays of various colorings for the picturing of clearly defined shapes, stunning patterns as well as animations. Using sophisticated DMX technology, the club is prepared for any kind of event.
